# Recognizing And Celebrating Outstanding Sector Achievements And Industry Leaders

## About the Awards

Procurement Excellence Awards 2017 would provide a time and a place for Procurement & Strategic Sourcing Industry Executives to celebrate outstanding sector achievements. Designed to identify and reward companies/individuals who have demonstrated an unparalleled ability to succeed and have continually set standards of excellence, these awards will recognise leaders of the industry.

These awards are part of 5th Procurement Strategies Forum which is being held on same date at the same venue.

## Steps for filling your nomination;

Choose the categories you would like to nominate

Register your details with us mentioning the categories in which you would like to nominate.

Nomination write – up supporting your category to be submitted in hard copy format / soft copy format along with the nomination fees

Deadline for submitting your nomination write up is 08<sup>th</sup> September, 2017

Nomination fees INR 11,000 + 15% tax per category

## Nomination Write – Up Criteria & Questionnaire

"Quality is never an accident. It is always the result of high intention, sincere effort, intelligent direction, and skillful execution. It represents the wise choice of many alternatives"

## Nomination Procedure – Organizational

Your entry should be divided in 3 parts, i.e,

- Summary
- Main Entry
- Supporting Materials / Documents

### Summary:

The most important part of your entry is the 500 words ( A4 – 1 Page) description in bullet form summarising the key highlights / points of your entry. This is very useful to provide an overview for the research agency & advisory council who may not know about your product or service.

### Main Entry:

Your main entry must be to a maximum of 2,000 words (maximum two pages of A4 ) in the Question and Answer format outlined below (use the questions as section headings):

1. Brief history about the company, management team and services / products / solutions offered.
2. Describe the service / product / process / solution / project for which your company is entering this award category.
3. Work undertaken and success achieved in the past 12 months and plans for the future. Why your company should be shortlisted in the top 3 nominees to compete for this award.
4. What three measurements of success best indicate why your company should win this award finally.

(Kindly note that incase your write-up is exceeding 3 – 4 pages then point no. 1 can be ignored. We do not require a very large write-up as it becomes difficult for the research agency and also the advisory council to go through the same. A crisp and to the point write-up would be more than sufficient to take this ahead.)

## Nomination Procedure – Individual

The nomination should be around 2000 words (A4 – 3 to 4 pages max)

- Individual / team achievements
- Industry recognitions
- Last three year's growth path as a individual & 1 year as a team
- ROI delivered during this period in individual capacity / team effort
- Any other relevant point which substantiates this nomination

### Supporting Materials;

Could add separately any other element which supports your nomination in brief. Include supporting materials such as graphs, tables, pictures, screenshots, campaigns etc. that you feel supports your nomination entry.
